OFFICE OF PETITIONS

In re Application of :
Allibhoy et al. :
Application Number: 10/788559 : DECISION ON PETITION
Filing Date: 02/26/2004 :
Attorney Docket Number: :
PU050096 :

This is a decision on the petition under 37 CFR 1.137(b),¹ filed on September 19, 2007, to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this

¹ Effective December 1, 1997, the provisions of 37 CFR 1.137(b) now provide that where the delay in reply was unintentional, a petition may be filed to revive an abandoned application or a lapsed patent pursuant to 37 CFR 1.137(b). A grantable petition filed under the provisions of 37 CFR 1.137(b) must be accompanied by:

(1) the required reply, unless previously filed. In a nonprovisional application abandoned for failure to prosecute, the required reply may be met by the filing of a continuing application. In a nonprovisional application filed on or after June 8, 1995, and abandoned for failure to prosecute, the required reply may also be met by the filing of a request for continued examination in compliance with § 1.114.

In an application or patent, abandoned or lapsed for failure to pay the issue fee or any portion thereof, the required reply must be the payment of the issue fee or any outstanding balance thereof. In an application abandoned for failure to pay the publication fee, the required reply must include payment of the publication fee.

(2) the petition fee as set forth in 37 CFR 1.17(m);

(3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional; and

(4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required pursuant to 37 CFR 1.137(c)).

decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition Under 37 CFR 1.137(b)." This is not a final agency decision.

This application became abandoned on September 29, 2006, for failure to timely file a proper reply to the final Office action mailed on June 28, 2006, which set a three (3) month shortened statutory period for reply. No extensions of time under 37 CFR 1.136(a) were obtained. Notice of Abandonment was mailed on July 13, 2007.

The petition lacks the required reply. The only proper reply to a final Office action is a Notice of Appeal and fee, Request for Continuing Examination and submission under 37 CFR 1.114, a continuing application, or an amendment placing the application in *prima facie* condition for allowance. The examiner has determined that the amendment filed on September 19, 2007, does not place the case in *prima facie* condition for allowance.

Petitioner should file a proper reply with any renewed petition.

A copy of the examiner's Advisory Action is enclosed for petitioner's reference.
